

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Application of:

Aebersold et al.

Serial No. 09/839,884

Filed: April 20, 2001

For: "RAPID QUANTITATIVE ANALYSIS OF PROTEINS OR PROTEIN  
FUNCTION IN COMPLEX MIXTURES"

Group: 1632

Examiner: Unassigned

1632  
#4  
RECEIVED

INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents  
Washington, DC 20231

Sir:

CERTIFICATE OF MAILING	
I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as First Class Mail in an envelope addressed to: The Commissioner of Patents, Washington, D. C. 20231	
<u>11/30/01</u> Date	<u>G. Novella</u> G. Novella

This application is a division of U.S. application 09/383,062, filed August 25, 1999, which takes priority under 35 U.S.C. § 119(e) from U.S. provisional application serial no. 60/097,788, filed August 25, 1998, and serial no. 60/099,113, filed September 3, 1998. For the Examiner's convenience, PTO-1449 forms listing references cited by applicants and the Examiner in these cases are enclosed.

References listed in the PTO-1449 submitted herewith which do not specify the month of publication have a year of publication sufficiently earlier than the effective US filing date and any foreign priority date so that the particular month of publication is not in issue.

In compliance with the duty of disclosure set forth in 37 CFR 1.97, the Examiner is referred to the files of those applications for prior art of record. For the Examiner's convenience, copies of the 1449 forms in those cases are enclosed.

It is believed that this submission does not require the payment of a fee. If this is not correct, please charge any required fee to Deposit Account 07-1969.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Sally A. Sullivan", with a long horizontal flourish extending to the right.

Sally A. Sullivan
